

# Federal Aviation Administration

## CHARTING NOTICE

Date: January 12, 2016

To: Users of FAA Airport/Facility Directories (A/FDs)

From: Aeronautical Information Services

Subject: Changes to the A/FDs to comply with updated Interagency Air Cartographic Committee (IACC) 8 Specifications.

The FAA/ Aeronautical Information Services will implement updated IACC 8 Specifications starting with the 4 February 2016 edition of the Northwest A/FD. These will appear as minor changes to the format of the airport entries. Note that the availability of lighting, fuel, oxygen and maintenance services will be given their own section. Also, the availability of Runway Visual Range elements will move from the airport remarks to the runway line. These changes will be reflected in the Legend section of the publications for easy reference. Examples highlighted below:
